

Course Information

Post Graduate Certificate in Banking

Sukh Sagor Institute (SSI) and **AIIM EduSys Pvt. Ltd. (AIIM)** have launched an intensive classroom training program spread over 38 sessions of 3 hours each to prepare candidates for careers in banking. The course will be conducted by experienced faculty from AIIM. The classes will be conducted via the Satellite Affiliate Program (VSAT technology) of SSI at Mumbai and 55 Satellite centres all over the country.

Suitable for Graduates, final year students of B.Com, BBI, BMS, BAF, BA, B.Sc. and other disciplines.

Program highlights

- **Intensive training:** 114 hours of training spread over 38 Sessions of 3 hours each.
- **Career oriented course content:** A very important factor which has been kept in mind while designing all the course content is to make it relevant for the needs of banking industry. With these courses you will get a headstart in your career.
- **Study material:** Comprehensive and easy to understand study material with illustrations.
- **Experienced Faculty:** The faculty consists of trainers with rich banking expertise, who make it an enriching learning experience for all our students.
- **Interactive Teaching – Learning Methodology:** The teaching-learning process used for the programs is totally interactive. Theoretical and practical aspects both are covered with use of power point presentations and exercises.
- **Grooming & Soft skills:** Apart from the domain knowledge, we also train our students in relevant soft skills to help them adapt to professional career.
